1.	Actions and Matters arising from the Minutes on 22 February 2022: <ul style="list-style-type: none">• The updated Rally Guide has been published on the national website. It appears the search function has now been reactivated.
2.	Report / feedback from Question Time held on 25th March 2023: <ul style="list-style-type: none">• It had been a very good event held at an excellent venue. The event came in on budget and positive feedback had been received.• There was a variety of questions posed and the report on these had been posted on the Regional website.• Unfortunately the supporting rally at Stoke Bruerne had had to be cancelled due to a waterlogged site.
3.	Club Business: <ul style="list-style-type: none">• ClubFest was now sold out with more than 2,300 units attending. Set up started on 5 May, with the site very wet underfoot but it was hoped the recent sun and wind will have helped it dry out.• The trial of electric metering at Wyatts Covert had started. Site fees had been reduced and only electric used would be charged.• Fast track arrivals had also started using the ANPR system, with visitors being asked to send back their pitch numbers by text. This will certainly help during peak arrival times.• There were now regular improvements to the booking system, and positive feedback was being received. Cancellations had been reduced by 70%, with improved availability as a consequence.
4.	Regional AGM 2023: <ul style="list-style-type: none">• All were encouraged to book on the Regional AGM rally via the North London website at www.northlondoncc.com/page61.html
